Renewed Petition Under 37 C.F.R. § 1.137(b)

Sir:

During the prosecution of this patent application, the application became abandoned for failure to timely submit an oath or declaration, a surcharge for its late filing, and substitute drawings in compliance with 37 C.F.R. § 1.84. A petition to revive the abandoned application was then filed on August 16, 2004 by the Applicant's previous counsel. This petition was accompanied by a declaration and a surcharge for its late filing but failed to include the required substitute drawings. As a result, the petition was dismissed for failing to include the required substitute drawings.

To rectify the deficiency with the previous petitions, Applicant now has attached the required substitute drawings. The Applicant confirms the surcharge in the large-entity amount of \$130.00 was paid in the proper amount. Accordingly, Applicant respectfully requests the Commissioner to reconsider and grant the petition to revive.

Serial No. 10/063,317

In addition, because Applicant inadvertantly paid small entity fees instead of large entity fees, which should have been paid, Applicant is filing herewith a Request to Correct Errors in Small Entity Fees Paid Under 37 C.F.R. § 1.28(c).

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Chad S. Hilyard', is written over the typed name and registration number.
